

Mission

To empower youth and strengthen communities through education and business partnerships.

Vision

To prepare high school students for a 21st Century workplace and equip them to be contributing employees, successful entrepreneurs and life-long learners. It is also to support businesses with a workforce equipped to help increase productivity and profitability, stimulate job growth and a renewed sense of pride for communities.

Success in Numbers

Today, VHS students are performing better academically, achieving higher graduation rates, lower dropout rates, and graduating with an identified educational and/or career pathway.
