

May 9, 2024

Dear Friends of High School Inc.,

On behalf of High School Inc. Academies Foundation and Board, we want to extend our sincerest gratitude for those who were able to attend our 6th Annual Give Gratitude event last night. Your presence helped make the evening truly special, and your support means the world to us and especially to the students and families.

We would like to express our deepest appreciation to all of our event sponsors and donors. Your continued support and generosity make a significant difference in our community and in the lives of the students we serve. It is through your support that we are able to fulfill our mission of empowering youth and strengthening communities through education and business partnerships.

Your contributions enable us to share our model of creating small learning communities within the school, focusing on Integrated Instruction, Project-Based Learning, Business Standards of Competencies, Competitions, Community Business Partnerships, and Personalization of Education. Your belief in our vision is invaluable, and it inspires us to work harder every day to prepare high school students for the workforce of tomorrow, equipping them to be lifelong learners and future leaders who will positively impact the world.

We would also like to extend our gratitude to the Santa Ana Unified School District, Santa Ana Chamber of Commerce, Valley High School, and the Orange County Community for their continued support and collaboration.

Once again, thank you for your support and for believing in the mission and vision of High School Inc. We are truly grateful for your partnership.

Warmest regards,

Felix Lugo
